

GLOBAL YOUTH FORUM MONGOLIA 2009

Ulaanbaatar, Mongolia 9-14 June 2009

1. Background

The OYUNLAG-UIIS Intellectual Development Support Association based in Ulaanbaatar was established in 2004. It is a non-governmental and non-profit making organization working to assist Mongolian youth in their development into active members of society, by providing social, educational, cultural activities. We organize different kinds of events such as conferences, seminars, workshops and forums about human rights, environment protection, poverty ect. It is conducts its operation under authorization by **Ministry of Justice and Home Affairs of Mongolia. The Certificate number is: 4492 and register number is: RD1045857**

Our NGO has been a participant of lots of international fairs and workshops and we know how the best ones are organized. We have been working in our market for 5 years and we know the demands of our people. Taking into account our experience and the best trends in world Exhibition making we are able to create the most favorable conditions for your fruitful work.

Participants of this forum can be of any nationality, religion, gender, from any country. The important thing is that the participant must be concerned about the topics listed below.

2. Objectives:

In 2009, the OYUNLAL-UIIS will be focusing on creating more opportunities for interaction between international youth, on strengthening the Youth Dialogue internationally and on providing international young people with a space for dialogue that would help improve and ponder over present global issues

- To encourage mutual understanding of cooperation in solving of global problems;
- To enable young people to identify possible solutions to global challenges and to take responsibility for their active involvement in solving them;
- To encourage the active participation of young people in issues that concern the aggravation of the living conditions of human beings;
- To provide a space (opportunity) for young people to make an input to the institutional process.

3. Topics:

- Environmental protection & climate change
- Reduce poverty, inflation
- Decent work and unemployment
- Public health policy and HIV/AIDS
- Gender Equality

4. Duration:
